Department of Main Roads

Forwarding details concerning a draft Roadside Vending Policy and Technical Assessment Guide and requesting comments on the implementation and assessment of sites

Moved Cr Trout seconded Cr Moss that Council provide the following comments:

- (1) The Policy and Assessment Guide is very thorough and appears to address all engineering and road safety issues;

- (2) That Council accept 'in principle' to undertake assessment of applications on State controlled roads subject to agreement of procedures to be followed; and
- (3) It is considered that Council Officers will use the Technical Assessment Guide on local roads as a reference document. The extent of the investigation undertaken may be reduced to reflect the possible lower potential impacts and conflicts associated with lower class roads.
